

COSPONSORSHIP AGREEMENT FOR THE ANNUAL INTERNATIONAL OMAE CONFERENCE

This is an agreement between _____ referred to herein as cosponsoring society and the Ocean, Offshore and Arctic (OOAE) Division of the American Society of Mechanical Engineers International (ASME) referred to herein as OOAE Division. The cosponsoring society agrees to support the OOAE Division in organizing its *International Offshore Mechanics and Arctic Engineering Conference* referred to herein as *OMAE Conference*. The purpose of the OMAE Conferences is to promote international cooperation in development and exchange of information regarding marine and offshore engineering, deep-water platforms and drilling, offshore and arctic pipelines, applications' safety and reliability, and other related emerging technologies.

The cosponsoring society agrees with the OOAE Division to:

1. Support publicity efforts for the OMAE Conference in a timely manner by announcing call for papers in the cosponsor society publications and appropriate national publications;
2. Contribute technical papers with quality consistent with the ASME technical review guidelines for inclusion in the conference program;
3. Assume no financial responsibility (profit or loss) for the OMAE Conferences;
4. Nominate a representative to the International Conference Committee. This committee is responsible for selecting the place, time and theme of future conferences. The OOAE Division is represented in this committee by two members.
5. Give the OOAE Division a minimum of nine-month advance written notice of its desire to terminate this agreement. The time is required to allow the removal of the sponsoring society name from the OMAE Conference related publications.

The OOAE Division, in turn, agrees with the cosponsoring society to:

1. Assume full financial responsibility for the administration and management of the OMAE Conferences;
2. Ensure that proper credit is given to the cosponsoring society which include listing the name of the cosponsoring society and its representative in the OMAE Conference technical program; and
3. Provide members of the cosponsoring society with the same discount given to ASME members on OMAE Conference registration fee and proceedings price.

This agreement will be in effect when it is signed by the OOAЕ Division chairman and an official of the cosponsoring society; and will continue until mutually agreed to discontinue.
